Dear Sir,

Block Exemption Order for VSAs and VDAs

Being a major port service provider in Hong Kong, Hong Kong Pilots Association welcomes the application of block exemption of both Vessel Sharing Agreements (VSAs) and Voluntary Discussion Agreements (VDAs) by Hong Kong Liner Shipping Association.

Similar exemption had been addressed in neighborhood countries. In order to maintain Hong Kong's competitiveness as maritime centre and transshipment hub in Asia, a business-friendly environment for shipping industry is particularly essential. The Competition Commission is suggested having thorough consideration the influence to the shipping industry, and even the economy of Hong Kong if the VDAs were not exempted.

Thank you for your concern and consideration on the subject.

Yours faithfully,

Marso Law
Chairman
