

Competition Commission “Combat Price Fixing Cartels” Educational Video – Subtitles

It’s My Call – Evidence

- Voice-over: They are practically identical in every way, they must be colluding.
- Voice-over: The existence of identical or similar prices for a product is not necessarily evidence of price fixing. Hard evidence to establish a contravention of the Competition Ordinance requires proof of an agreement or concerted action among competing businesses.
- Voice-over: Their text messages clearly show that they colluded with each other!
- Voice-over: Now that’s the proof!
- Super: Prosper with Competition Say No to Price Fixing
