### 競爭事務委員會向員工提供新冠疫苗假期

香港特區政府今日公布，向 2021 年 8 月 31 日或之前接種新冠疫苗的政府僱員提供「疫苗假期」。為同樣支持員工接種疫苗，競爭事務委員會（競委會）將推出相應措施，向所有全職員工提供新冠疫苗假期，員工每接種一劑疫苗，便可享有一日有薪假期，如已完成接種兩劑疫苗，最多可獲兩天假期。相關安排同樣適用於已接種疫苗之員工。

2019 冠狀病毒病的疫情於全球各地持續，接種疫苗被視為防控疫情最有效的措施。競委會持續關注疫情發展，冀香港市民可盡快回復正常生活。

For Immediate Release

### Competition Commission offers COVID-19 vaccination leave to staff

The HKSAR Government announced today that government employees who receive COVID-19 vaccines on or before 31 August 2021 will be offered vaccination leave. To also support its staff to get vaccinated, the Competition Commission (Commission) is rolling out corresponding measures to offer vaccination leave to all its full time staff. Staff members will be entitled to one day of paid leave after each dose of vaccine and a maximum of two days of leave will be offered for completing two doses of vaccine. The arrangement also applies to staff members who have already been vaccinated.

As the COVID-19 pandemic continues to spread around the world, taking vaccination is regarded as the most effective measure to prevent and control the spread of the virus. The Commission will continue to monitor the situation closely, hoping that the people of Hong Kong could resume normal life soon.
