Personally, this consultation time is too short and the publicity is insufficient. Compared with the Labor Department, the minimum wage (hourly wage), the first or second stage, the collection of opinions, transportation, and poster advertisements, consider extending it by one month? This investigation of 2 online catering platforms, protection of small and medium-sized catering shop owners, and supervision inevitably lead to suspicion of preferential treatment of listed companies: Meituan - W (美團 stock code: 3690) online food delivery platform “KeeTa” has entered the local market, covering all Hong Kong , Kowloon, New Territories a total of 18 communities! Covid-19 Pneumonia Virus Spread, Hong Kong Citizens closed for 3 Years!
